

**CS 2800 – Web Development I
Fall 2015**

Assignment 1 – Web Site Design

Due: Tuesday, September 1, 11:59 pm.

Turn in: Upload your document, named ***yourLastName_assignment1.docx***, to the dropbox on Pilot. Include a header at the top of your document with your name, date, and assignment #.

Read chapters 1 and 18 in your textbook. Based on the design guidelines therein, find a website that uses good design and one that uses poor design. You may use a single site if you feel that it exhibits characteristics of both good and poor design.

Submit a Word document to the dropbox on Pilot that lists the site URL for the site(s) that you identified. Below the URL list the specific characteristics that make it good, and the specific characteristics that make it poor.
