

**CS 2800 – Web Development I
Fall 2015**

Assignment 2 – Web Development Issues

Due: Tuesday, September 8, 11:59 pm.

Turn in: Upload your document, named ***yourLastName_assignment2.docx***, to the dropbox on Pilot. Include a header at the top of your document with your name, date, and assignment #.

Choose one of the following web development issues and write a short paper (1-2 pages) that includes a brief description of the issue, a “how-to” section with guidelines for how web developers should address the issue, and at least 2 URLs where a web developer could go for more information. Be sure the URLs are clickable hyperlinks in your document.

- Cross-browser compatibility
- User accessibility
- Search engine optimization
- Responsive web design
